Print/Web/Production Designer Branding, Web & Advertising Design

Annex Graphics is currently seeking a hardworking and enthusiastic Graphic/Web Application Designer who wants to work with a company dedicated to growth and opportunity. We are a fun and dynamic workplace that pushes the edge in marketing, sales, and development. If you enjoy working in a young, fast paced environment and have an open mind for change as well as solid design experience then we have the opportunity for you!

This is a freelance opportunity where you may work from a remote location, however there will be times that you will be required to work on site.

Responsibilities:

You will be required to:

- Create and edit web layouts/pages.
- Create graphics and presentations.
- Convert designs into HTML and CSS files.
- Enhance the usability and aesthetics of web applications.
- Design Logos, Presentation Material
- Provide Brand Guidance
- Pre-flight experience and ability to prepare files for Commercial Print

Qualifications:

You must be or have:

- Degree/Diploma in graphic design, arts or equivalent combination of education/experience.
- Strong knowledge of graphic design.
- Knowledge of HTML and CSS.
- Expertise in recent versions of Photoshop, Illustrator, InDesign, Quark.
- Strong verbal, written, and communication skills.
- Strong organizational skills with the ability to prioritize and multi-task.
- Ability to work independently and in a team.
- Understanding of Macintosh computers

If you think you can become a part of our fun and bright team please submit your resume along with hourly rates to careers@annexgraphics.com
